CUSTOMER QUOTES

She was fantastic – depth of knowledge surpasses any facilitator/ instructor that I have ever trained with before. The whole session was a totally relaxed learning experience and a joy to be a part of. She drew out things that needed to be drawn out with questions that didn't make anyone feel stupid or picked on. She knew the right questions to ask.

-Managers, UK Division of Global Security Operation

It was a wonderful experience. I was very comfortable with the interaction from the facilitator. Without any doubt I can say, Amy inspired me to be proactive and advance my career. I would definitely sharpen my presentation abilities as per the expectations after this training.

-Manager, India

There's no doubt in my mind that Amy enabled me to be more effective at my job and gave me the tools to advance my career.

-Senior Project Manager, US Construction Company

It was wonderful you were able to share your expertise with us. Your attention to detail made this event a real success. Your willingness to offer your expertise, resources, and time to ISES is greatly appreciated.
